Regulation under the Teaching Profession Act

All teachers who teach in publicly-funded schools in Ontario are members of the Ontario Teachers' Federation (OTF). OTF was formed under the Teaching Profession Act (TPA) in 1944. All teachers are governed by the Regulations made under the TPA. It is important that our members observe the following requirements of the Regulations:

Duties of a Member to Fellow Members:

18. (1) A member shall,
 - (a) avoid interfering in an unwarranted manner between other teachers and pupils;
 - (b) **on making an adverse report on another member, furnish [the teacher] with a written statement of the report at the earliest possible time and not later than three days after making the report;**
 - (c) notwithstanding section 18.(1)(b), a member who makes an adverse report about another member respecting suspected sexual abuse of a student by that other member need not provide [the teacher] with a copy of the report or with any information about the report;
 - (d) refuse to accept employment with a board of trustees whose relations with the Federation are unsatisfactory; and
 - (e) Where [the member] is in an administrative or supervisory position, make an honest and determined effort to help and counsel a teacher before subscribing to the dismissal of that teacher.
- (2) Under clause (d) of subsection (1) the onus shall be on the member to ascertain personally from the Federation whether an unsatisfactory relationship exists.
- (3) A member shall not attempt to gain an advantage over other members by knowingly Underbidding another member, or knowingly applying for a position not properly declared vacant, or by negotiating for salary independently of [the teacher's] local group or fellow members.
