

At OTIP, we partner with leading companies to deliver innovative products and services tailored specifically to the insurance needs of Ontario's education community. Our comprehensive range of group and individual insurance products is designed to protect what matters most to our clients, members, and customers: family, health, and property. With more than 1,150 dedicated employees, we are committed to continuous improvement and to serving Canadians with fairness, respect, and transparency.

Caring for our communities is part of who we are

Each year, OTIP invests more than 1% of pre-tax profits to support programs that strengthen communities across Ontario — from student bursaries to school nutrition programs and initiatives that celebrate excellence in education. Through these efforts, we're proud to give back to the education community we serve.

As a valued member of the education community, you have access to OTIP's exclusive programs at no cost, including Carepath, Starling Minds, and EdvantagePerks.

Our vision is simple: to fulfill the lifetime insurance needs of Ontario's education community. That's why we offer:

- Exclusive auto and home insurance rates, with in-house claims services to support you through the claims process.
- Three flexible retiree health, dental, and travel insurance plans designed to fit your lifestyle.
- Life insurance, identity theft, and cyber protection for added peace of mind.
- Leisure product insurance and more, so you're covered wherever life takes you.

Visit [OTIP](#) today to find out how you can receive a \$20 gift card of your choice when you get a car or home insurance quote.
